By sending this formula back to FCRLI i have understood and accepted the following rules:

All participants are responsible for having an insurance (Haftpflicht).

The FCRLI has an insurance to cover some damage to facility.

As a player I understand that I have to play with shoes that does not leave any marks on the floor in the hall. I understand that any damage caused by me wearing the wrong shoes, has to be covered by me and/or my insurance.

As a passive member I support FCRLI and its activity. I also have the right to attend the yearly Assemble Générale and to vote for the board. I will also be updated on the activities within FCRLI. If, during one membership year, I would decide to become an active member, the € 20,- will be deducted from my participation fee.
